

UBx assists MSCA PF candidates and proposals with a specific support:

1/ Information and advice for:

- All UBx staff who are eligible for the MSCA PF programme
- Any external candidate eligible who wants to submit a proposal with UBx as beneficiary

2/ Coaching (limited places)

Intensive & personalised support for 5 candidates/supervisor pairs (advice, coaching, reverse schedule, personalised appointments, support for CV set up, proofreading, writing advice, mentoring programme).

For ENLIGHT partners, the personalised support is provided on request (personalised online workshops)

Requests to be sent to Jennifer Borde before April 29th that contain the following:

- CV
- Project summary (1 page max including the main aim, specific objectives, brief presentation of the host partner, draft schedule)

3/ Writing workshops

Workshops are organised in April, May and June (in French and English) - Registration required

Workshop 1: Excellence – structure of the scientific project

Workshop 2: In Expert/evaluators minds

Workshop 3: CV – Career – Training

Workshop 4: Dissemination-communication- impact

Other workshops may be organised on request (registration of several candidates requested)

Spotlight/Focus on an MSCA PF application by a UGent Postdoc who applied with UBx, and the support he received in Bordeaux
